

ANNUAL GENERAL MEETING

The AGM went off like clockwork and finished in record time with only one change in the committee. Olly Kyte resigned from **Social secretary**. Ed Gill has stepped in for the job, we wish him all the best and will give him all the help he wants.

Dave Cunningham would like to be replaced as **Track secretary** which he has carried out successfully over many seasons. There were **no offers**. This is a **most important job**. Could we have some volunteers please to at **least assist** Dave.

TIME TRIALS

Our time trial sec. **Jon Arkel** is doing a **great job** organising the time trials in conjunction with Walsall Roads. There has been a **variety of events for riders to choose from** including 10, 25 and 22 miles hilly T.T's.

Matt Nicholls and Jordon Bason rode in the **National 10 T.T**, Matt achieved **85th** out of **137** finishers and Jordan **12th** in the junior event, the **highest placed Youth rider**.

The **5km track TT's** has proved very popular. Due to some riders **not** taking their booked slot, next year riders will be asked to **pay** when they pre-book.

ROAD RACING

As was expected **Ian and Bea Potts** made a first class job of organising our two open races, the **Two Counties and the Severn Valley Road Races**. Thanks to all the marshalls and helpers without whom the races could not be held. **The riders said how impressed they were with the organisation of the events**.

CYCLO CROSS

Our last event of the season went off quite well considering organiser Andy Jones had to alter the venue to **Baggeridge leisure Park** due to over booking at the stadium. The route was very technical and needed plenty of marshalls. No decision on venue has been made as yet for next years promotions.

TRACK

The track programme supervised by qualified coaches and **welfare officers** proves very popular with plenty of enthusiasm shown on three nights. **Monday** includes **7 to 8pm for Ladies**, **Wednesday** for general track work and **Friday** is very well attended by **youngsters whose parents can view from the stand**. Having retired from the track many years ago, I quite enjoy sitting back, watching the racing and enjoying a piece of **home made cake** supplied by **Tom Masters**. An excellent job of competitors steward has been made by **Chrys Hartill and Rachael Lewis**.

NEW CLUB STRIP

After a thorough research conducted by our clothing sec, which involved all members, the eagerly awaited redesigned club strip is now on order and will be available early in the New year.

HAPPY BIRTHDAY

Don Trubshaw, our **oldest active rider** in the club who organises the **Tuesday** and **Thursday** runs mainly for retired people, reached the ripe old age of **ninety** recently. To celebrate, nearly a **hundred** bike riders from his past and present, sat down to a lunch at the **Park Hotel at Shifnal**, most of whom came on their bikes.

Well that's about all I can cram into this letter.

There's so much going on in the club and most of the info can be seen on our excellent web site. So if you don't own a computer, perhaps this will help, or you can always go to the library and use theirs.

HAPPY CHRISTMAS & A PROSPEROUS NEW YEAR.
RON/ED.
