### CHEERS FOR ALISON.

Our Youth Development Secretary, **Alison Cooper** has received an award from **British Cycling** in the shape of a glass block. The award is inscribed inside with congratulations for outstanding work for **youth training.**

### A GREAT SUCCESS

Feeling rather guilty for not helping out, I visited the track one dark cold Friday evening to see how our **track team** is bearing up.

As I drove into the stadium down Hugh Porter Way I was confronted by a wonderful panorama of flood lights both over the velodrome and also the Dunstall race course.

The place was a **hive of activity** with young novices in the centre of the football pitch going round and round, a bunch up on **flagstaff hill** learning about cyclo cross and on the **banked track** being taught the **basics of track racing.**

By the looks of it and the **speed** they were going there should be some **potential winners** amongst them.

This went on from 7 till 8 after which **novice seniors** of **both genders** took over the main track till 9pm.

Quite an **achievement** for our team of **qualified coaches** and also the watchful eyes of our **welfare officers** who were supervising over **50 youngsters** whose parents were **happily** watching from the grandstand knowing their offsprings were in **safe hands.**

Our team **didn't** really need my assistance so I am quite **happy** to sit back and be a **good spectator.**
