THANKS MATE

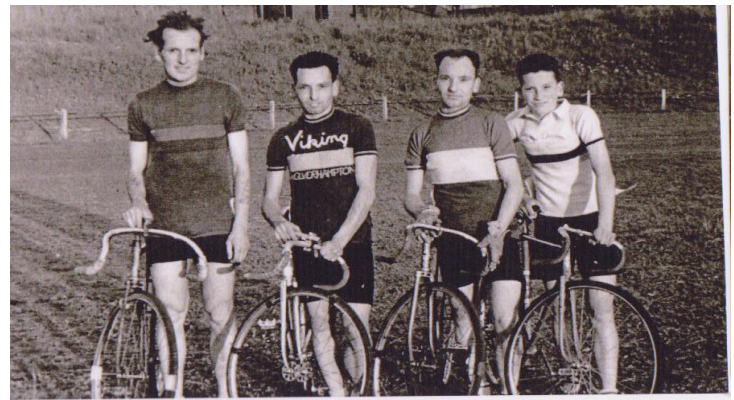

Hi! all old and new members, I hope you are all fit for the racing and touring season.

We have finally emerged from one of the longest winters I can remember, I am just beginning to thaw out and starting to get some miles in. From my front window in Wood Road Codsall, I see quite a lot of bike riders coming and going, all looking quite fit and ready for the summer season so I am looking forward to seeing some good results.

If anyone wants to contribute to this epistle, they are most welcome. Little stories jokes or happenings in the club. After all we have over 250 members and this newsletter is read by people all over the world. I have had guys from New Zealand, Canada and the U.K get in touch with me inquiring about old friends and The Club. The club has always attracted families. If you can beat this, four racing members in the same family, let me know. An example as follows:-

THE ALLAN FAMILY

I received an Email from Peter Allen the only survivor of the family who is now retired and lives in Canada. He was inquiring about the club and sent us some old photos. The family were all good riders, Bill being a member of the famous Viking Cycles team, who used to wipe up most of the races they entered both locally and nationally.

Committee

The club is very lucky to have a keen set of officers, 18 of whom were at the last meeting. We welcome **Sue Ruston**, a long time member, who has kindly offered to take over as Treasurer from Ted Williams, retiring after 20 years service. Also **Ladies Rep Kate Evans**.
