TRACK AND SOCIAL

Keep your eyes on our social sec. **John Ireson** he is such a live wire. He did a great job of the disco and prize giving and the **RED TOE EVENING** where the club raised over **£40** for charity.

ROAD RACING

The usual events will be under the successful organisation of **Ian and Bee Potts**.

Sewern Valley RR. Sunday 22nd May. Elite & 123. Cats 135 km Inc. West Mids RR Champs..

Two Counties RR. Sunday 24th April. For 3 & 4 Cats 85km

Note! New headquarters, Bridge Community Hall (near the The Hermitage)

Also an event for women and juniors. 85 km.

3 days of circuit racing have also been booked at the **Sundorne Circuit, Shrewsbury.** Saturdays, May 14th June 18th and July 16th.

CYCLO CROSS

The last event of the season in January saw another successful event led by **Andy Jones** and his team of marshals and helpers. It was a very festive event with our official tents and cake bar.

Rachel Lewis

5th January 1967 - 30th March 2011

Sadly on Wednesday 30th March, Rachel passed away after a hard fought battle with cancer. She joined the Wheelers with husband Mark & 2 sons Adam & Matthew (Matty) and quickly became immersed in most activities. She will be greatly missed by the many friends she made which was evident by the numbers who attended her funeral led by a cycling group of lady members in club colours. In her honour the Track League on May 4th together with the new Ladies Track League Trophy will be dedicated to her, so that Rachel's name lives on.

TIME TRIALS

John Arkel did a great job of organising last years programme and says that this years will be much the same although I think he could do with more marshals.
