2024 Track and Hill Climb - Track Event Report

Wednesday 10th Apr 2024

Hosted by Wolverhampton Wheelers Cycling Club

Well done to all the riders that competed in tonight's event. Although relatively warm, the conditions were made tough by the wind that increased in strength throughout the evening. The overall win was taken by Paul Horton, the only rider to go under the 7 minute mark.

A big thank you needs to go to all those that helped run the event, especially Shaun with coordinating that race starting and keeping things running to schedule.

The next TT event on the roads will be on the 7th of May on the K21/11 sporting course from Halfpenny Green. A fantastic, challenging course with relatively quiet roads if you want to try out a longer TT, details will be posted closer to the date. Hope to see you there!
