# 2024 - K21/11 Event Report

## Tuesday 7th May 2024

Hosted by Wolverhampton Wheelers Cycling Club

Well done to all the riders on the first of our TT league events. All riders got around safely, despite some unexpected roadworks in Bobbington and some significant pot holes on the Six Ashes climb and the exit to Enville. The conditions were almost perfect with a gentle breeze, warm and dry.

Congratulations goes to Matt Cooper for the overall win and Richard Sadlier as the fastest wheeler and Steve White taking an early lead in the road bike league. It was fantastic to see one of our youth riders Rhys Everall, putting in a fantastic time on a what is a challenging course.

Next weeks event is on the K21/10b Shifnal course and will be hosted by WRCC. Hope to see you there.  
The full results will be available via Spond and our website in due course.
