

# 2023 Track - Track Event Report

## Wednesday 13th Sept 2023

Hosted by Wolverhampton Wheelers Cycling Club

A cool but dry and still evening greeted the riders for the track 5K time trial.

Well done to Oliver Meentzen-Alldritt with the overall win with a very fast time averaging just over 29mph with Tom White hot on his heels a few seconds behind, both going below 7 minutes.

The ladies win was taken by Harriet Swainson with a superb average speed of almost 25.5mph! The fastest U10 was Matilda Cosnett. A special mention should go to Benjamin Stephens who was only 2 seconds behind. He really seemed inspired by the whole event.

For many it was their first experience of a time trial and should have given a good feel for what it is like to race in bigger events and I'm hoping that it has given you some the inspiration to have a go at some of our time trials that we run on the road next season.

Above all I hope you all enjoyed the experience and hope to see you again for the next Track TT (or even one on the road).

A very big thanks you needs to go to all the timekeepers and helpers, especially Shaun for all his hard work behind the scenes and acting as the starter, keeping everything so well coordinated and on schedule. The event would not have happened without your contribution.
